Subject: Silirub Cleanroom

Dear Paul,

Hereby we confirm that Silirub Cleanroom is an antibacterial product. This product has been tested by IANESCO CHIMIE in France (test report n° RE-04/02999 of 29 March 2004).

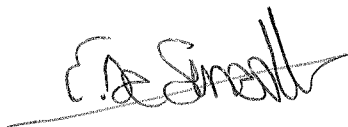

Silirub Cleanroom has also been approved to be antibacterial by IKI (Institut für Krankenhaushygiene und Infektionskontrolle Gbr).

The different test reports have been sent to you in French and German.

Best regards,

Jan Verbruggen
